Our Pricing

How much do AR staffing and recruitment solutions cost?

That's a difficult question to answer without knowing specifics about your business's staffing needs. So in order to avoid guessing, we need to know the following:

VOLUME OF NEW HIRES

TYPE OF NEW HIRES (TEMP VS. PERM)

TALENT LEVEL (FROM ENTRY-LEVEL TO SENIOR)

SHORT- AND LONG-TERM WORKFORCE GOALS

Once we have that information, we can match your staffing needs to the appropriate solution(s), and provide accurate, custom pricing.

Our custom pricing model ensures you get exactly what you pay for, realize the value you hope for, and enter the long-term partnership you've always looked for.

Our Clients

Currently, our key clients belong to the Automobile Manufacturing sector in the area of Stratford, London, and Cambridge areas, to whom we provide support on their manpower requests.

Our major clients are Tier 1 and Tier 2 players who manufacture, assemble and quality-check the parts produced in Ontario at the facilities.

THANK YOU

We look forward to working
with you.
